

Age: 35
Work: Security Guard
Family: Married
Location: Fairfield, NSW
Character: Outgoing, Friendly

Personality

Goals

- To secure the building in any sorts of danger
- Provide students' and staffs' safety in building environment.
- To keep track of everything that is happening on the building

Frustrations

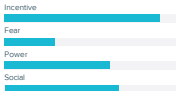

- Unable to keep track of everything that is happening on the building.
- Unable to determine the activity happening on the building.

Bio

I am a security guard with over 7 years of experience. I am very introvert, I prefer to stay in my post and look after UTS Building 11 from my post. I am frustrated when there are a lot of people in the building, and I am unable to keep track of everything that is happening on the building. Furthermore, I am unable to determine which area to scout after-hours
